Love Notions	Sabrina Slims	Y	55.5	Stretch Woven or Knit	The Sabrina Slims were inspired by the 1950's 'cigarette' style pants most notably worn by Audrey Hepburn. The Love Notions take on this classic style features a wide, contoured waistband that sits just below the navel, a slim fit through the waist and hips and straight from the knees down. This is a slim-fit pant from waist to knee and then straight to ankle. They are close fitting but not leggings close if using the recommended fabric. The Sabrina Slims are meant to hit at the ankle but instructions are included to lengthen if desired. Also included are optional welt pockets and center front and back seaming to add interest and give the illusion of length. Petite, regular and tall inseams are included. Make the pants maternity by adding either the underbelly or the over belly waistband.	https://www.lovenotions.com/product/sabrina-slims-pants-0-28-plus-maternity
Love Notions	Summer Caye	Y	55.5	Woven or Knit	Summer Caye pattern brings you light and breezy pants that will be all you'll want to wear this summer! Make these pants using light-weight woven fabrics or knits. Also included are Capri length and two shorts lengths: 6" & 9". The pants and capris have three hem options: standard wide hem, split hem, and tulip hem. The shorts have two hem options: standard wide hem and cuffed. Choose from palazzo width or go a little more conservative with the wide-leg width. The front pockets are a slimming style and won't gape at the hips! The back patch pockets also add a little more style and functionality. These easy, pull-on pants feature a flat front and elastic back to kick up your wardrobe a notch.	https://www.lovenotions.com/product/summer-caye-pants-capris-shorts-ladies-0-28
Pamela's Patterns	113	N	53	Woven, Knit	Full Back or Narrow Back pattern pieces - no more baggy backs! (1) Bootstrap Fashion and Lekala use the same pattern drafting system; Note similarity in pattern numbers.						
Bootstrap carries select pants patterns for hips up to 66" and waist up to 64", as noted by the 66 in the column D. Most Bootstrap patterns have recommended measureme						
Lekala and Bootstrap patterns by default do NOT include seam allowances, but one can select a seam allowance option for a slight upcharge.						
(2) Maximum sizing is somewhat unclear for Lekala. I have requested information.						
Lekala does not provide fabric requirement estimates.						
(3) Butterick. Some Connie Crawford patterns appear at the Butterick site and at her Fashion Patterns site. Others appear only at her Fashion patterns site.
